EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Greg Friedlander on 22 June 2005. The application has been amended as follows:

In claim 19 line 4 "a second" has been deleted.

In claim 19 line 5 --a second-- has been inserted after "comprises".

Terminal Disclaimer

2. The terminal disclaimer filed on 10 May 2005 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of Patent No. 6,659,503 has been reviewed and is accepted. The terminal disclaimer has been recorded.

REASONS FOR ALLOWANCE

3. It is noted that the double patenting rejection made in the previous Office action has been withdrawn as claim 19 contains language in the first paragraph which is not identical to that of claim 1 of patent 6,659,503. The terminal disclaimer precludes any obvious type double patenting rejection.

Art Unit: 3611

4. The following is an examiner's statement of reasons for allowance:

The main reason for the allowance of claim 19 is that the prior art fails to disclose a trailer including the combination of the bed, power generator means, leveling means, and the first piston arm.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kevin Hurley whose telephone number is 571-272-6646. The examiner can normally be reached on Monday-Friday 9:30-5:00.
